## STYLISH SOLUTIONS FOR OUTDOOR AND INDOOR SPACES

With the highly styled Outdoor and Indoor Harbor Series, striking aesthetics and dependability combine to provide a lighting solution that is as efficient as it is beautiful.

The Abolite Harbor Series provides the ultimate in flexibility, offering a wide variety of choices in options and accessories to help you design the ideal lighting solution for your outdoor and indoor commercial space.

## THE PERFECT FINISHING TOUCH FOR RETAIL DESIGN SCHEMES

Available in two reflector sizes, with a variety of lighting sources and mounting options, the Abolite Harbor Series addresses current retail trends in shape, size and finish with its contemporary design. With the Abolite Harbor Series, you'll benefit from shatter-resistant enclosed optics, and a variety of high-gloss colors. Add the perfect finishing touch to your indoor or outdoor retail design scheme, with the Abolite Harbor Series.

## A WEALTH OF CHOICES TO MEET YOUR NEEDS

### reflectors

- Heavy-duty, spun aluminum reflectors are available in 15" and 20" diameters in brushed anodized aluminum, painted natural aluminum or high-gloss finishes

### mounting options

- Cast hub tapped for 3/4" NPT conduit
- Approved for wet locations (factory prewired available with 96" leads)
- 10' white or black cord sets with matching canopies
- 6' black coiled cord and SWAG options available
- Suitable for 3/4" pendants, brackets, goosenecks, pole and wall-mount brackets

### ballasts

- Compact Fluorescent - High power factor, self-contained Compact Fluorescent ballasts allow the use of cord sets with Compact Fluorescent lamps
- Metal Halide - Requires use of remote high power factor ballast as a field-installed accessory

### prismatic glass globe

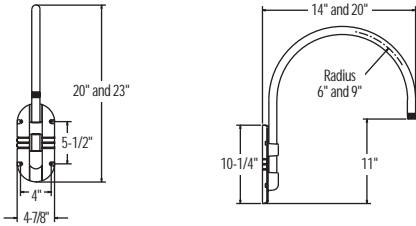

- Fully tempered, prismatic glass globe is heat and shatter-resistant, with a choice between clear and frosted glass
- One-piece silicone gasket and enclosed optics provide a continuous seal to prevent entry of dust, moisture and insects
- Slide-on wire guards are available as field-installed accessories

# DOOR

## wall brackets

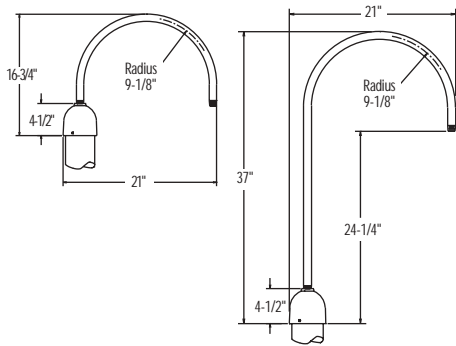

NEW!

- Choose from two sizes in standard Abolite colors. Standard wall brackets are available, in addition to more compact wall brackets for smaller spaces.

## pole brackets

- Choose from two sizes in standard Abolite colors. Standard pole brackets and taller pole brackets are available to complement a variety of design schemes.

## poles and brackets designed for outdoor fixtures

- Steel or aluminum poles
- Standard pole finish is powder-painted, white textured for steel, and gloss for aluminum. Other pole finish color optional
- Poles furnished with anchor bolts with zinc-plated double nuts and washers, galvanized anchor bolts and base cover
- Will accept commercial postline ballast for use with Metal Halide lamps (up to 100 Watts)

# INDO

## Lamp options

- Single Compact Fluorescent lamps feature a higher lumen package and simple, push-pull thermoplastic sockets for ease of lamping, 42 Watts maximum
- Metal Halide lamps have porcelain, medium-based, 4KV pulse-rated sockets
- Incandescent fixtures feature 600-volt, medium-based, porcelain sockets

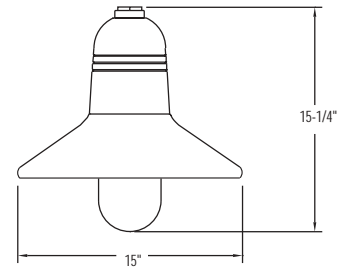

**experience the illuminating power and efficiency of compact fluorescent**

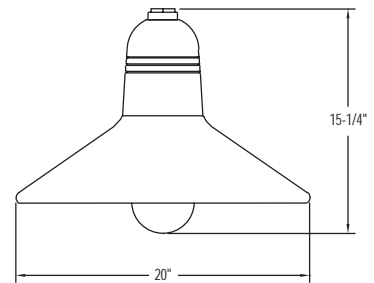

Enhance your architectural space with the illuminating power of a Compact Fluorescent lamp. Compared to a 200-Watt Incandescent lamp, a 42-Watt Compact Fluorescent lamp:

- Produces the same amount of light
- Provides 13 times the lamp life
- Spends less than a quarter of the energy
- Significantly reduces maintenance and operating costs

**harbor dimensions**

15" HARBOR

20" HARBOR

**harbor quality**

Backed by a full 2-year warranty, the Harbor Series brings you the most aesthetically pleasing design available for indoor and outdoor architectural spaces. With lighting choices and energy saving options, the Harbor Series is the ideal choice for the design scheme you have created.

beautiful aesthetics  
to highlight every  
design strategy

A variety of color schemes available on  
fixtures, brackets, stems and poles enables  
the Harbor Series to enhance any indoor or  
outdoor commercial space.
